Why Have a Walk?

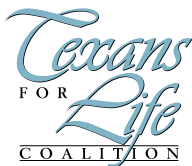

15 years of Walking the Walk = Strides for Life!

Walking the Walk means standing in solidarity with the nearly 80,000 babies aborted yearly in Texas. Over the past 15 years, the Walk has enabled us to make great strides in the fight for life. We were instrumental in the passage of a Parental Consent law for minors, the Prenatal Protection Act, and Informed Consent. Now, teen births and pregnancies are at their lowest since the 1940's; funding for abortion providers has been diminished; and for the first time, the majority of Americans say they are pro-life. Every day we inch closer to victory, but babies are still dying. So, "Walk the Walk" . . . don't just "Talk the Talk"!

When you Walk the Walk, you are:

- * Taking aim at the heart of the abortion market by inspiring young people to wait for marriage through free & popular public school abstinence programs;
- * Exposing the darkness peddled by Planned Parenthood and other abortion advocates;
- * Alerting Christians, churches and pastors by teaching, informing, motivating and enabling them to protect precious human life;
- * Lobbying for laws that protect human life, as well as laws that promote abstinence until marriage;
- * Sharing your resources (a portion of Walk proceeds) with pregnancy assistance centers and other pro-life ministries.

Tear off this form, fill out the other side and mail it to Texans for Life, or turn it in at your church.
