# FOUR EASY steps to voting for life with your feet

## Step 1 Register Today and Get Your Free T-Shirt!

- Complete the form at the bottom of this page.
- Tear it off, hand it in at your church's walk table and pick up your colorful T-shirt!
- Or, put it in an envelope and mail it to Texans for Life, PO Box 177727, Irving, Texas, 75017. We will send your shirt right back to you.

## Step 2 Get Sponsors!

- Ask your friends, family and co-workers to sponsor you. Each pledge is an important step in helping to save the life of a baby.
- Ten sponsors at just \$10.00 each means you just helped raise \$100.00 to save the lives of unborn babies.
- You don't have to collect any pledges. We will bill your sponsors.

## Step 3 Turn in Your Sponsor Forms!

- You can turn in your forms at one of the walk sites on May 3, starting at 9 a.m. (see back page)
- Or, you can mail your sponsor forms to the Texans for Life office.

## Step 4 Walk Two Easy Miles on "Walk Day!"

- Join us for fun and fellowship as we take a short walk for the babies.
- See back page for more information about times and locations.

# why have a walk?

**17 years of Walking the Walk** Voting with your Feet means Walking the Walk in our 17th Annual Walk! Abortions have fallen significantly nationally, but over 80,000 babies lost their lives to abortion in Texas in 2006. This year's Campaign for Life will enable us to continue making great strides in the fight to protect moms and babies. Teen births and pregnancies remain at levels not seen since the 1940's, thanks, in part, to our work. With your help we can do so much more to protect women and children from abortion.

## When you Walk the Walk, you are partnering with Texans for Life by:

- Taking aim at the heart of abortion when we reach teenagers (over 2,000 every year) with our "free" message of abstinence—before abortion even becomes an issue in their lives;
- Changing hearts and minds through rallies, speeches, workshops, newsletters, the Internet, literature distribution and by alerting Christians, churches, pastors and grass-roots activists - teaching, informing, motivating and enabling them to protect precious human life;
- Advocating for laws that protect human life from conception to death, and laws that promote abstinence until marriage;
- Counseling and referring hundreds of women in crisis to pregnancy help centers throughout North Texas; and
- Sharing your resources (a portion of Walk proceeds) with pregnancy assistance centers and other pro-life ministries.

.....  
Tear off this form, fill out the other side and mail it to Texans for Life, or turn it in at your church.

*32 Years of Fighting for the Right of Every Baby to Have a Birthday*

**ON THE COVER:** Terri McLaughlin Schauf, who directed our abstinence presentations in the schools for over six years, met her husband, Tim, at one of our pro-life rallies. This past Christmas Eve, Terri and Tim were blessed with a son, William. This photo of Terri and William serves to remind us who we are fighting to protect: mothers and babies.
