U.S. Sen. John Cornyn

State Rep.
Angelia Orr

Dr. Joe Pojman

Join us for Texans for Life Coalition's Annual Benefit Dinner and Silent Auction to advance the protections for unborn babies and their mothers from abortion across the State.

A memorial to honor the extraordinary legacy of our devoted former President, Kyleen Wright, whose tireless advocacy shaped landmark pro-life victories for more than two decades.

The Honorable U.S. Senator John Cornyn will be our keynote speaker. Senator Cornyn has always promoted policies that protect life. Without him, the confirmation of Supreme Court justices who overturned *Roe v. Wade* and defunding Planned Parenthood would not have happened.

In addition, hear from State Rep. Angelia Orr, a true champion for life during the 89th State legislative session.

Introducing Texans for Life Coalition's new President, Dr. Joe Pojman, a renowned state pro-life leader who has extensive experience in leading educational campaigns, public policy programs, research efforts, and voter engagement throughout the state for more than three decades.

Dr. Pojman will continue the proud legacy of Texans for Life — building a culture of life.

Secure your table or seats today — space is limited and reservations close November 30. If you have already purchased a table or seats for the cancelled dinner in September, your reservation will be honored. For more details, visit TexLife.org.
